#### WIRELESS WILL HERALD OIL DISCOVERY

Wireless telegraphy between Fish Losian has been recommended by th Lake valley and Tonopali is prom- joint committee on postal facilitie said within the next few days. This It will be remembered that the tube will be doubly welcome, as it will were ordered abandoned by the Burafford a means of quick communica- lescon administration of the postof. tion between the two places in the five department, and former Presi event sensational developments take deat Wrisen even went so far as place at the Merger well, which is vote a general postoffice portant imprenings may occur at any for their operation. It is declared

In the event that all in commer-situation that the tubes materially cial quantities is encountered, the expedite the transmission of first good news will be finshed to Tone class mail in the big cities. pah, and once the people are in formed that a flow of oil has heer encountered there will be a rus into the Fish Lake valley bases that promises to be sensational in the extreme. The fact that two craws of drillers are now in charge of the hig standard rig and that drilling operations are being prosecuted that and night, is resulting in splendid beadway being made

Installation of the generator made it possible to provide wireless telegi- the Associated Press. raphy it only requires one and a NEW YORK, Nov 18.- The Italian half kilowats to send a message 50 slub, or Circolo Italiano of Columbia miles, the distance between the two university is to present to the uniplaces, and the equipment at Tono- versity, in commemoration of the pah has been provided for a long Dante tercentenary, an Italian hous: time. The other end will be similar, shrough which they hope to promote is equipped at once

#### A WIDE-OPEN DOOR

Word comes from Argentina that Juised with the aid of a committee the sucress of the government of of prominent Americans, including that country in placing a loan in Robert Underwood Johnson, General the United States "has produced a teeling of optimism among merchants" there and has created sentiment that may find expression to plaining the purpose that the magincreased trade with this country. A Buenos Aires business man writes to a prominent Philadelphia bank stating that "an improvement in the Argentine peso is looked for, with a consequent stimulus to buying Amercan goods." It is added that there dances or parties. The Grochong is a good demand for American merchandise in Argentina, but operations have been hampered of late by trade depression, and this has resulted in some American firms quit. We serve soft drinks, casdies, cigars, ting the field, in which their places tobacco, fruit and tamales. Located have been taken by English and at intersection of Main and Florence German dealers. But there is every avenue, next door to Chiatovich & reason to believe that with proper Beko's old stand encouragement manufacturers in the United States can hold and increase the business now done with Argentins and other Latin-American coun- order will make you a regular cus-
